AMERICAN MARINE SHELLS.

ACANTHOPLEURA.

Acanthopleura (*Chiton*) *scabra*. *Roe* California

ACMÆA.

Acmaea *cribrifilatum*. Santa Rosa I, California

“ “ var Santa Rosa I, California

“ “ dark var. Monterey, California

Acmaea *patina*. *Esch.* California

“ “ dark var. California

Acmaea *pelta*. *Esch.* California

“ “ var. *assmi*. *Midd.* California

“ “ var. *multicolor*. *Cpr.* (ms.) California

“ “ var. *strigata*. California

Acmaea *persona*. *Esch.* California

“ “ var. *digitalis* California

“ “ var. *textilis*. California

Acmaea *pileolus*, var. *rosacea* *Cpr.* California

Acmaea *scabra*. *Nutt.* California

Acmaea *scutum*. *De'Orb.* Vancouver I

Acmaea *spectrum* : California

Acmaea *testudinalis*. *F.* and *H.* } Me. and Mass.

= *Tectura* *testudinalis*. *Mull.* }

ACUS.

Acus *dislocatus*. *Say*. South Carolina

ADULA.

- Adula falcata.....*Gld.*.....California
 Adula stylina.....*Cpr.*.....California

AMIANTUS.

- Amiantus (*Callista*) callosa.*Conr.*.....California

AMPHYSSA.

- Amphyssa corrugata.....*Rve.*.....California
 “ “ var..... Santa Rosa I., California
 Amphyssa versicolor.....*Dall.*.....California

AMYCLA.

- Amycla carinata.....*Hds.*.....California
 “ “ var. *Hindsi*.....*Rve*.....California
 Amycla chrysalloidea.....*Cpr.*.....California
 Amycla gausapata.....*Gld.*.....California
 “ “ var. *californiana*.....*Gask.*.....California
 Amycla tuberosa.....*Cpr*.....California
 “ “ var. *aurantia*.....*Dall.*.....California

ANACHIS.

- Anachis avara.....*Say*.....South Carolina
 Anachis penicillata*Cpr.*.....Santa Rosa I., California

ANGULA.

- Angula aculeus. (See *Rissoa.*)

ANOMIA.

- Anomia ephippium.....*Linn.*.....Florida
 Anomia glabra.....*Verrill.*.....Connecticut
 Anomia lampe.....*Gray*.....California
 Anomia ———.....Massachusetts

APHORRHAIIS.

- Aphorrhais occidentalis.....*Sby.*.....Atlantic Coast

ARCA.

<i>Arca americana</i>	Florida
<i>Arca floridana</i>	<i>Tryon</i> Florida
<i>Arca graynosa</i>	Texas
<i>Arca incongrua</i>	<i>Say</i> Florida; South Carolina
<i>Arca noæ</i>	<i>Linn.</i> Gulf of Mexico
<i>Arca pexata</i>	<i>Say</i> South Carolina
<i>Arca ponderosa</i>	<i>Say</i> Texas
<i>Arca</i> ———	Florida

ARGONAUTA.

<i>Argonauta argo</i>	<i>Linn.</i> Santa Cruz I., California
-----------------------------	--

ASTARTE.

<i>Astarte castania</i> ..	<i>Say</i> North Atlantic
<i>Astarte (Gouldi) lunulata</i>	<i>Conr.</i> Florida
<i>Astarte undata</i>	<i>Gld</i> Massachusetts

ASTYRIS.

<i>Astyris lunata</i>	<i>Say</i> South Carolina
-----------------------------	---------------------------

AVICULA.

<i>Avicula atlantica</i>	<i>Lam.</i> Florida
--------------------------------	---------------------

AXINÆA.

<i>Axinæa intermedia</i>	<i>Brod.</i> Santa Rosa I., California
<i>Axinæa septentrionalis</i>	<i>Midd.</i> California

BARBATIA.

<i>Barbatia gradata</i>	Santa Cruz, California
-------------------------------	------------------------

BARLEIA.

<i>Barleia subtensis</i>	<i>Cpr.</i> San Diego, California
“ “ var.....	San Diego, California
“ “ var. <i>rimata</i> ..	<i>Cpr.</i> California

BITTIUM.

Bittium armillatum.....	<i>Cpr.</i>	California
Bittium asperum.....	<i>Cpr.</i>	California
Bittium fastigiatum.....	<i>Cpr.</i>	California
Bittium filosum.....	<i>Gld.</i>	California
“ “ var.....	<i>Gld.</i>	California
Bittium grenii.....	<i>Adams.</i>	Florida
Bittium nigrum.....	<i>Tott.</i>	New York
Bittium quadrifilatum.....	<i>Gld.</i>	California
“ “ var.....	California

BIVONIA.

Bivonia compacta.....	<i>Cpr.</i>	California
-----------------------	-------------------	------------

BORSONIA. (See Chathurella.)

BUCCINUM.

Buccinum plicosum.....	<i>Mke.</i> } Mass. and N. Y.
= Rapana cineria.....	<i>Say.</i> }	
Buccinum undatum.....	<i>Linn.</i>	New York; Massachusetts

BULLA.

Bulla adamsii.....	<i>Mke.</i>	California
Bulla nebulosa.....	<i>Gld.</i>	San Diego, California
Bulla solitaria.....	<i>Say.</i>	Massachusetts
Bulla ———.....	Florida

BUSYCON.

Busycon canaliculatum.....	<i>Linn.</i>	Texas and Florida
Busycon (Pyrula) carica.....	<i>Linn.</i>	Mass. and S. C.
Busycon perversum.....	<i>Linn.</i>	Florida

CALLIOSTOMA.

Calliostoma annulatum.....	<i>Mart.</i>	California
Calliostoma canaliculatum.....	<i>Mart.</i>	California
Calliostoma costatum.....	<i>Mart.</i>	California
Calliostoma gemmulatum.....	<i>Cpr.</i>	Santa Rosa I., California
Calliostoma gloriosum.....	<i>Dal.</i>	California
Calliostoma splendens.....	<i>Cp.</i>	California
Calliostoma supragranosum.....	<i>Cpr.</i>	California

 CALLOCHITON. (See Chiton.)

CALLISTA.

Callista gigantea.....*Chem*.....Texas

CANCELLARIA.

Cancellaria reticulata.....*Linn*.....Florida

CARDIUM.

Cardium blandum.....*Gld*.....California
 Cardium corbis.....*Mart*.....California
 Cardium magnum.....*Born*.....South Carolina
 Cardium muricatum.....*Linn*.....Texas and South Carolina
 Cardium quadragenarium.....*Conr*.....California

CASSIDULA.

Cassidula corona.....*Gmel* }
 = *Pyrula melongina* }Florida
 Cassidula ———Florida

CASSIS.

Cassis testicula.....Texas

CERITHIDEA.

Cerithidea hedgewigeei.....*Phil*.....Texas
 Cerithidea sacrata.....*Gld*.....California
 Cerithidea scalariformis.....*Say*.....Florida

CERITHIOPSIS.

Cerithiopsis assimilata.....*C. B. A.*.....California
 Cerithiopsis tuberculata.....*Mont*.....California

CALLISTA. (See Amiantus.)

CERITHIUM.

Cerithium ebeneum.....*Brug*.....Florida
 Cerithium muscarum.....*Say*.....Florida

Cerithium nigrescens.....	<i>Menke</i>	Florida
Cerithium striatum.....	Florida
Cerithium validina.....	Florida
Cerithium versicolor.....	<i>C. B. A.</i>	Texas

CEROSTOMA.

Cerostoma foliata	<i>Gmel.</i>	California
Cerostoma nuttallii	<i>Cour.</i>	California

CHÆTOPLEURA. (See Chiton.)

CHAMA.

Chama arcinella.....	<i>Linn.</i>	Florida
Chama exogyra.....	<i>Cour.</i>	California
Chama pellucida.....	<i>Sby.</i>	California
Chama spinosa.....	<i>Sby.</i>	California
Chama variegata.....	<i>Rce.</i>	Florida

CHEMNITZIA.

Chemnitzia chocolata.....	<i>Cpr.</i>	California
Chemnitzia tenuicula.....	<i>Gld.</i>	California
Chemnitzia torquata.....	<i>Gld.</i>	California
“ “ var. stylina.....	<i>Cpr.</i>	California

CHIONE.

Chione cancellata.....	<i>Linn.</i>	Florida
Chione fluctifraga.....	<i>Sby.</i>	California
Chione simillima.....	<i>Sby.</i>	California
Chione succincta.....	<i>Val.</i>	California

CHITON.

Chiton (Ischnochiton) cooperii..	California
Chiton (Trachydermon) fallax..	<i>Cpr. (ms.)</i>	California
Chiton (Callochiton) fimbriatus	<i>Cpr. (ms.)</i>	California
Chiton (Chætopleura) gemmea..	<i>Cpr.</i>	California
Chiton (Trachydermon) hartwegii..	<i>Cpr.</i>	California
Chiton (Mopalia) hindsii.....	<i>Gray</i>	California
Chiton (Leptochiton) inter-nexus..	<i>Cpr.</i>	California

Chiton (Leptochiton) internexus, var. rugatus..	<i>Cpr.</i>	California
Chiton (Mopalia) kennerleyi, var. swannii..	<i>Cpr.</i>	California
Chiton (Mopalia) lignosa.....	<i>Gld.</i>	California
Chiton (Tonicia) lineata... ..	<i>Wood.</i>	California
Chiton (Ischnochiton) magdalensis..	<i>Hds.</i>	California
Chiton (Mopalia) merkii.....	<i>Midd.</i>	California
=“ montereyensis.....	<i>Cpr.</i>	
Chiton (Lepidopleurus) mertensii..	<i>Midd.</i>	California
Chiton (Mopalia) muscosa.....	<i>Gld.</i>	California
Chiton (Leptochiton) nexus... ..	<i>Cpr.</i>	California
Chiton (Lepidopleurus) pinctinatus..	<i>Cpr.</i>	California
Chiton picus.....	<i>Gmel.</i>	Florida
Chiton placiphorella.....		California
Chiton (Lepidopleurus) regularis..	<i>Cpr.</i>	California
Chiton ruber.....	<i>Lowe.</i>	Gulf of St. Lawrence
Chiton (Acanthopleura) scabra..	<i>Rve.</i>	California
Chiton (Mopalia) simpsonii ...	<i>Gray.</i>	California
Chiton (Cryptochiton) stelleri... ..	<i>Midd.</i>	California
Chiton (Katherina) tunicata.....	<i>Wood.</i>	California
Chiton (Mopalia) vespertina... ..	<i>Gld.</i>	California
Chiton (Mopalia) wossnessenskii..	<i>Midd.</i>	California

CHLOROSTOMA.

Chlorostoma aureotinctum.....	<i>Fbs.</i>	California
Chlorostoma brunneum... ..	<i>Phil.</i>	California
Chlorostoma funebreale... ..	<i>Adams.</i>	California
“ “ var. subapertum..	<i>Cpr.</i>	California
Chlorostoma gallina.....	<i>Fbs.</i>	California
“ “ var. pyriformis..	<i>Gld.</i>	California
Chlorostoma pfeifferi.....	<i>Phil.</i>	California

CHORUS.

Chorus belcheri... ..	<i>Hds.</i>	California
-----------------------	-------------	------------

CHRYSODOMUS.

Chrysodomus dirus... ..	<i>Rve.</i>	California
Chrysodomus liratus.....	<i>Mart</i>	California
Chrysodomus tabulatus... ..	<i>Bd</i>	California

 CINGULA.

Cingula (Rissoa) aculeus.....*Gld.*.....Rhode Island

 CLATHURELLA.

Clathurella (Borsonia) canfieldii..*Dall.*.....California

 CLIDIPHORA.

Clidiphora triliniata....*Cpr.*.....Massachusetts

 CLYPIDELLA.

Clypidella bimaculata.....*Dall.*...Santa Rosa I., California

 CÆCUM.

Cæcum cooperii.....*Cpr.*.....California

 COLUMBELLA. (See Astyris.)

 CONUS.

Conus californicus.....*Hds.*.....California

“ “ var..... Monterey, California

 COOPERELLA.

Cooperella scintillæformis.....*Cpr.*....San Diego, California

 CORBULA.

Corbula luteola.....*Cpr.*.....California

 CREPIDULA.

Crepidula aculeata.....*Gmel.*.....California

Crepidula adunca.....*Sby.*.....California

Crepidula convexa.....*Say.*.....South Carolina

Crepidula cornea. (See glauca.)

Crepidula dorsata.....*Brod.*.....California

“ “ var. lingulata..*Gld.*.....California

Crepidula excavata....*Brod.*.....California

Crepidula fornicata.....*Say.*..Florida and Massachusetts

Crepidula glauca	Say	South Carolina
Crepidula grandis	Midd	California
Crepidula navicelloides	Nutt	California
"	"	var.	California
"	"	var. explanata	Gld.	California
"	"	var. planulata	..	California
Crepidula plana	Say	Connecticut
Crepidula rugosa	Nutt	California
Crepidula unguiformis	Lam	South Carolina

CRUCIBULUM.

Crucibulum scutellatum	Gray	California
Crucibulum spinosum	...	Sby	California

CRENELLA.

Crenella glandula	Tott	Maine
-------------------	------	------	-------	-------

CRYPTOCHITON. (See Chiton.)

CRYPTOMYA.

Cryptomya californica	Conr	California
-----------------------	------	------	-------	------------

CYLICHNA.

Cylichna cylindracea	Linn	California
----------------------	------	------	-------	------------

CUMINGIA.

Cumingia californica	Conr	California
----------------------	-------	------	-------	------------

CYPRÆA.

Cypræa (Trivia) californiana	... Gray	California
Cypræa exanthema	Florida
Cypræa (Trivia) radians Lam	California
Cypræa (Trivia) sanguinea Gray	California
Cypræa (Trivia) solandri Sby	California
Cypræa (Luponia) spadicea Sw	California

CYPRINA.

Cyprina islandica	Lam	Massachusetts
-------------------	------	-----	-------	---------------

DARINA.

Darina declivis.....*Cpr*.....California

DENTALIUM.

Dentalium hexagonum.....*Sby*.....California

Dentalium indianorum.....*Pfr*.....California

Dentalium pretiosum.....*Nutt*.....California

DIPLODONTA.

Diplodonta orbella.....*Gld*.....California

“ “ var.....Santa Rosa I., California

DIALA.

Diala acuta.....*Cpr*.....California

Diala marmorea.....*Cpr*.....California

DONAX.

Donax californicus.....*Conr*.....California

Donax navicella.....*Sby*.....California

Donax variabilis.....*Say*.....Florida

DORIS.

Doris sandiegensis.....*Cp*.....California

“ “ var.....California

DOSINIA.

Dosinia concentrica.....*Say*.....South Carolina

Dosinia discus.....*Rce*.....South Carolina

DRILLIA.

Drillia inermis.....*Hds*...Santa Rosa I., California

Drillia moesta.....*Cpr*...Santa Rosa I., California

Drillia penicillata.....*Cpr*...Santa Rosa I., California

Drillia torosa.....*Cpr*...Santa Rosa I., California

“ “ var aurantia.....*Cpr*...Santa Rosa I., California

ENTODESMA.

Entodesma saxicola.....*Bd*.....Santa Rosa I., California

ERATO.

Erato columbella.....	<i>Mke</i>	California
Erato scabrioscula.....	<i>Cp</i>	California
Erato vitellina.....	<i>Hds</i>	California

EULIMA.

Eulima micans.....	<i>Cpr</i>	California
Eulima thyrsites.....	<i>Cpr</i>	California

EUPLEURA.

Eupleura caudata.....	<i>H. and A. Ads</i>	Massachusetts
-----------------------	---------------------------	---------------

FASCIOLARIA.

Fasciolaria distans.....	<i>Lam</i>	South Carolina
Fasciolaria gigantea.....	<i>Kien</i>	Gulf of Mexico

FENELLA.

Fenella purpoidea.....	<i>Cpr</i>	California
------------------------	------------------	------------

FISURELLA.

Fisurella alternata.....	<i>Say</i>	South Carolina
Fisurella volcano.....	<i>Rve</i>	California

FUSUS.

Fusus ambustus.....	<i>Gld</i>	California
Fusus decemcostatus.....	<i>Say</i>	Sitka, Alaska
Fusus geniculus.....	<i>Conr</i>	California
Fusus islandicus.....	<i>Mart</i>	Massachusetts

GALERUS.

Galerus contortus.....	<i>Cpr</i>	California
------------------------	------------------	------------

GIBBULA.

Gibbula funiculata.....	<i>Cpr</i>	California
Gibbula parsipicta.....	<i>Cpr</i>	California
Gibbula succincta.....	<i>Cpr</i>	California

GLYCIMERIS.

Glycimeris generosa.....*Gld.*...Santa Rosa I., California

GLYPHIS.

Glyphis aspera.....*Esch.*.....California

Glyphis densicathrata.....*Rve.*.....California

GNATHODON.

Gnathodon cuneatus.....*Gray* }New Orleans
 = Rangia cyrenoides.....*Des.* }

GOULDI. (See Astarte.)

Gouldi limatula.....*Conr.*.....Florida

HALIOTIS.

Haliotis corrugata.....*Gray*.....California

Haliotis cracherodi.....*Leach*.....California

Haliotis kamtschatkana.....*Jonas*.....California

Haliotis rufescens.....*Sw*.....California

Haliotis splendens.....*Rve.*.....California

Haliotis ——— ..Mendocino Co., California

HAMINEA.

Haminea vesicula.....*Gld.*.....California

Haminea virescens.....*Sby*.....California

HETERODONAX.

Heterodonax bimaculatus....*De'Orb.* }California
 = Psammobia pacifica....*Conr.* }
 = Tellina vicina.....*C. B. Ad.* }

HINNITES.

Hinnites giganteus.....*Gray*.....California

HIPponyx.

Hipponyx antiquatus.....*Linn.*.....California

Hipponyx cranioides.....*Cpr.*.....California

Hipponyx tumens.....*Cpr.*.....California

 IANTHINA.

- Ianthina fragilis.....*Brug.*.....Florida
 Ianthina ———.....Florida

 ILYNASSA.

- Ilynassa obsoleta. (See Nassa.)

 IPHIGENIA.

- Iphigenia braziliensis... ..*Lam.*.....Florida

 ISAPIS.

- Isapis obtusa.....*Cpr.*.....California

 ISCHINOCHITON. (See Chiton.)

 JANIRA.

- Janira dentata.....*Sby.* }
 = Pecten floridens.....*Hds.* }California

 JEFFREYSIA.

- Jeffreysia translucens.....*Cpr.*.....California

 KATHERINA. (See Chiton.)

 KELLIA.

- Kellia laperousii.....*Desh.*.....California
 Kellia suborbicularis.....*Mont.*.....California

 LACUNA.

- Lacuna porrecta.....*Cpr.*.....California
 " " var effusa... ..*Cpr.*.....California
